

As a user, I want to create a new college student account so that I can access the Tasty Talks posts.

As a user, I want to login to the website in order to access the homepage so that I can see the different posts and recipes available to me.

As a user, I want to read the description about the website, in order to learn about the purpose of the website.

As a user, I want to be able to filter the different countries on the website in order to see all the different recipes from the different countries.

As a user, I want a place to post my recipes so that I could show people the types of food that I like to make.

As a user, I want to create a recipe post so that my recipes are accessible to people across different countries.

As a user, I want to comment and post on the forum of the specific recipe from the specific country in order to provide my feedback on the student chef's work.

As a user, I want to be able to see the thoughts of people from that dish's country so that I know the different ways you're supposed to cook that recipe.

As a user, I want to be able to read the different posts about different recipes in order to see other people's creative ways of cooking.

As a user, I want to upload a picture of my recipes online, and submit them, in order for people to understand how I make food.
